Laudato Si and the Torch of False Prophecy

1. We are warned about Satan appearing as an angel of light to us (2Cor 11:13-15).

a. The torch of false prophecy are held by many within the sphere of Adventism.

“Many will stand in our pulpits with the torch of false prophecy in their hands, kindled from the hellish torch of Satan.” Ellen G. White, Testimonies to Ministers and Gospel Workers, pp 409-410.

b. Today, a line of false prophecy that claims that it is **climate change** that will lead to a Sunday Law to save the planet, according to the Pope’s document **Laudato Si**, is being advocated within Adventism, especially within the “independent ministries.”

c. This is highly deceptive and is made up of three totally unrelated parts.

(i) There is no connection between the **Bill H.R.Q.** (It is not a Sunday Law Bill).

(ii) No connection to Charles Comosy’s pro-papal article about a Sunday Rest.

(iii) No connection to the Pope’s Laudato Si Sunday Rest.

(iv) There is no proof of a coming Sunday Law related to **climate change issues**.

“We must also celebrate rest, especially from buying and selling by returning to a focus on keeping the Sabbath.” Charles C. Camosy

Not related to Bill H.R.Q (No Clause about a Sunday veneration in it)

The Paris Accord says nothing about a Sunday Rest to deal with climate change

This is merely a pro-papal comment on the Pope’s Laudato Si

Issues about an imminent Sunday Law related to climate change completely trumped up.

2. Another zealous advocate of a Sunday Law based on dealing with climate change is a preacher named **Andrew Henriques**. His article co-written with his wife is entitled “Laudate Si Generation, Roman Catholic Church Admits: Last Generation ‘Marked’ by Laudate Si, July 30, 2019.”

Cardinal Peter Turkson, head of the Vatican-based Dicastery for Promoting Integral Human Development said, “There are so many signs of hope; God is raising up people around the world to come together to care for our common home. I am happy to note that role of young people in this journey.”

Most significant and prophetic however are the following words of Turkson.

“I am very pleased by the emergence of the Laudato Si Generation, an international network of Catholic youth organizations striving to live Laudato Si.” He added that, “It is such a fitting name, as you are the generation that will be remembered for being marked by Laudato Si and

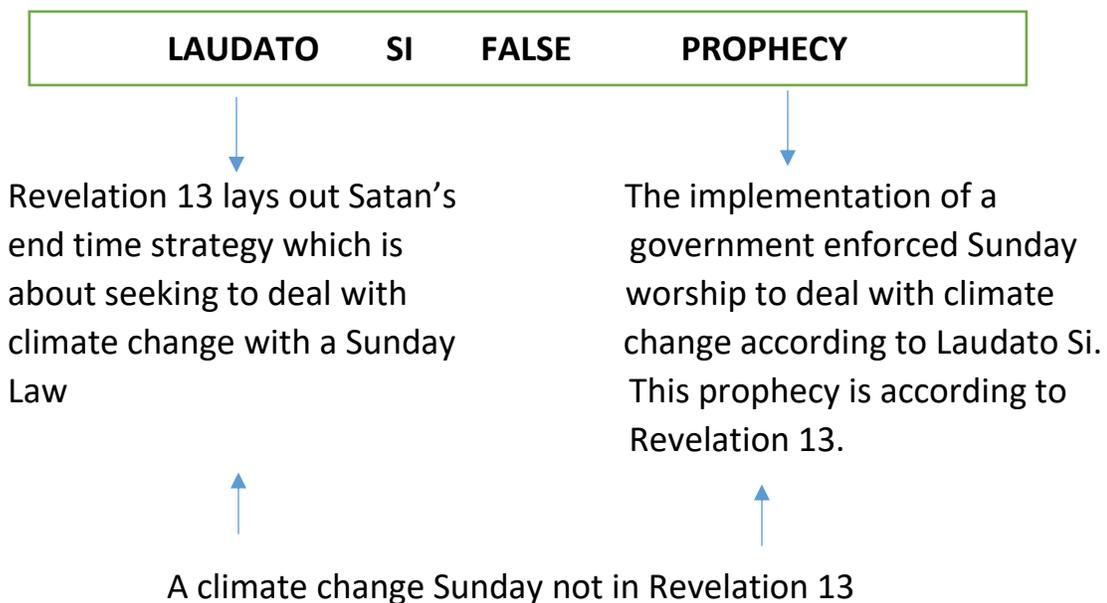

most importantly you are the generation that will be remembered for helping the church implement Laudato Si to be more prophetic and coherent in her vocation to care for our common home.”

This should bring our minds to Revelation 13:11-17 concerning the Mark of the Beast. Before we dive into the prophecy, let us emphasize key phrases from the above quoted statement.

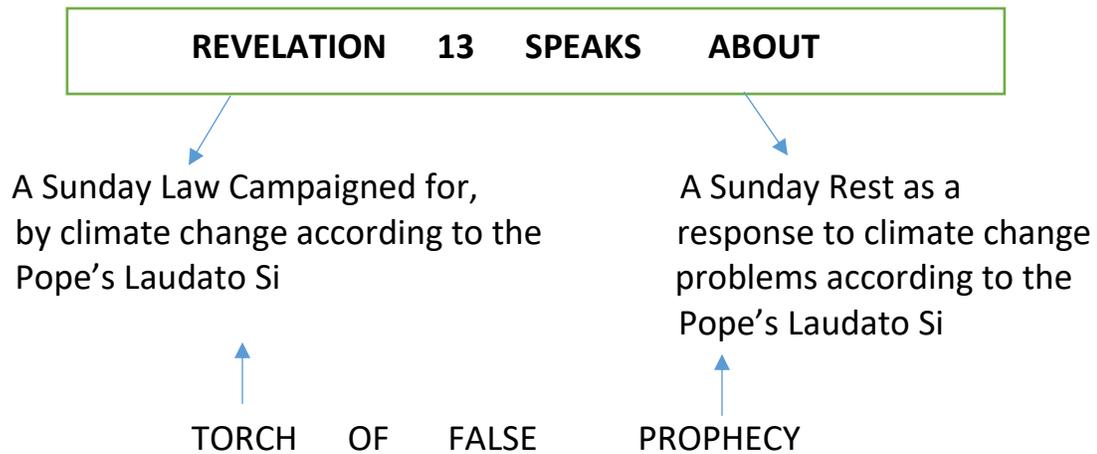

- a. “You are the generation that will be remembered for being ‘marked by Laudato Si’.”
- b. “You are the generation that will be remembered for helping the church to implement Laudato Si to be more prophetic.”

These two statements sum up Satan’s end time stratagem as laid out in Revelation 13. As a reminder, one of the solutions, the primary solution, set forth in Laudato Si to address climate change, is a legally mandated Sunday rest (see section 237 in Laudato Si).

“The Mark of the Beast spoken of in Revelation 13:15-17 and Revelation 14:9 and 10 is government enforced Sunday worship.” pp. 1, 2

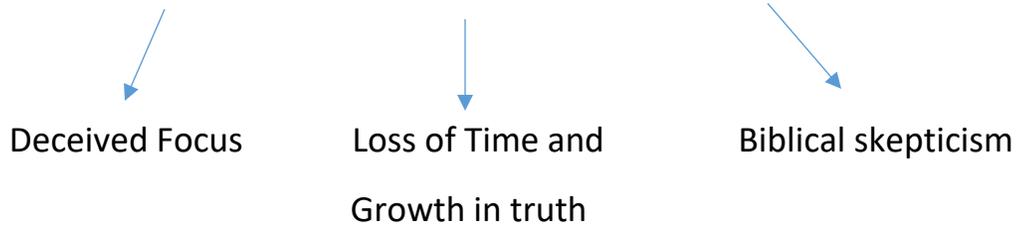

- a. Summarized below, in a graphical format, were points taken from a video presentation by Henriquers. The video went into a Sunday law response to the climate change heresy.

3. What does having false prophecy mean? It means that the person is not under the testimony of Jesus and is devoid of the Spirit of Prophecy (Rev 12:17; Rev 19:10).
- a. A Laudato Si Sunday law is a false prophecy that causes the mind to focus on things that will not happen. This is a deceitful focus.
- b. The mind loses time to learn and grow in the knowledge of the real truth concerning how a Sunday Law will come.
- c. Waiting for a prophecy that fails, caused skepticism in the mind when the failure comes. But the skepticism is about the Bible.

THE EFFECTS OF FALSE PROPHECY

4. We are living in a **little time of trouble** when the servants of God are being sealed in their minds. Four angels are holding back the winds of strife from fully blowing upon the earth until the time when the seven last plagues shall fall (Rev 7:1-3; Rev 12:17; Rev 14:12).

“The commencement of that time of trouble,” here mentioned, does not refer to the time when the plagues shall begin to be poured out, but to a short period just before they are poured out while Christ is in the Sanctuary. At that time while the work of salvation is closing, trouble will be coming on the earth, and the nations will be angry, yet held in check so as not to prevent the work of the third angel. At that time the “latter rain” or refreshing form the presence of the Lord, will come, to give power to the loud voice of the third angel and prepare the saints to stand in the period when the seven last plagues shall be poured out.” Ellen G White, **Early Writings** pp. 85-86.

5. This **little time of trouble** Jesus presents as **signs** of His second coming while we are to **prepare** (Luk 21:25-31, 34-36).

“John sees the elements of nature – earthquakes, tempest and political strife – represented as being held by four angels. These winds are under control until God gives the word to let them go. There is the safety of God’s church. The angels of God do His bidding, holding back the winds of the earth, that the winds should not blow on the earth, nor on the sea, nor on any tree, until the servants of God should be sealed in their foreheads.” Ellen White, **Testimonies to Ministers and Gospel Workers** p. 444.

6. But when the **judgment is completed** at the **standing up** of Michael, then starts the time of trouble with the **upheavals of nature**. They are the seven final plagues (Dan 12:1; Job 38:22, 23; Isa 34:8; Rev 16:1, 2, 14, 21).
7. By the time the plagues are falling, it is not global warming or climate change are attributed to the upheavals of nature. The Saints will be blamed for the **upheavals in nature**. Their refusal to keep **Sunday** is blamed.

“I saw that the four angels would hold the four winds until Jesus’ work was done in the sanctuary and then will come the seven last plagues. These plagues enraged the wicked against the righteous; they thought that we had brought the judgments of God upon them, and that if they could rid the earth of us, the plagues would be stayed.” Ellen G. White, **Early Writings**, p 36.

8. But even **before** the plagues begin to fall with all the horrible natural upheavals. When the **little time of trouble** exists, and the saints gave the final warning to the earth. The **horrible natural disasters** that will then occur would still be blamed upon the saints. The **judgments of God falling upon** the earth, would be blamed upon them. These charges will continue even **more** to the **time of trouble** of the seven last plagues, until a **death decree** for a purging is placed upon the Saints.

“Those who honor the Bible Sabbath will be denounced as enemies of law and order, as breaking down the moral restraints of society, causing anarchy and corruption and calling down the judgments of God upon the earth. Ellen G White, **The Great Controversy**, p 592

“As the angels of God cease to hold in check the fierce winds of human passion, all the elements of strife will be let loose. The whole world will be involved in ruin more terrible than that which came upon Jerusalem of old... Those who honor the Law of God have been accused of bringing judgments upon the world, and they will be regarded as the cause of the

fearful convulsions of nature and the strife and bloodshed among men that are filling the earth with woe.” Ibid p 614

Little Time of Trouble

Time of Trouble

The Judgments of God

- *Upheavals in Nature held partially in check
- *God’s servants are being sealed
- *Jesus presents these occasional upheavals in nature as signs of His second coming
- *Global warming or climate change behind the extreme weather fluctuations will fade away to be identified as the judgments of God

- *Seven Final Plagues fall
- *Death and destruction occur to man and beast due to upheaval in nature
- *The world calls it the ‘Judgments of God’.
- *The saints blamed for ‘the judgments of God’ upon the earth (no more climate change fraud)
- *Death decree for global purge will be instituted

- *The cause is no more climate change
- *Natural upheavals are “judgments from God”
- *The cause is the refusal of the Saints to accept Sunday keeping.

9. The impending conflict is not about **climate change leading to a global Sunday law**, it is about **spiritualistic miracles leading to exalt Sunday keeping for the conversion of the world** to bring in the millennium. This shows that the **enforcement of Sunday** was not about global warming, but about **global conversion** to form a form of godliness. (Rev 16:13, 14).

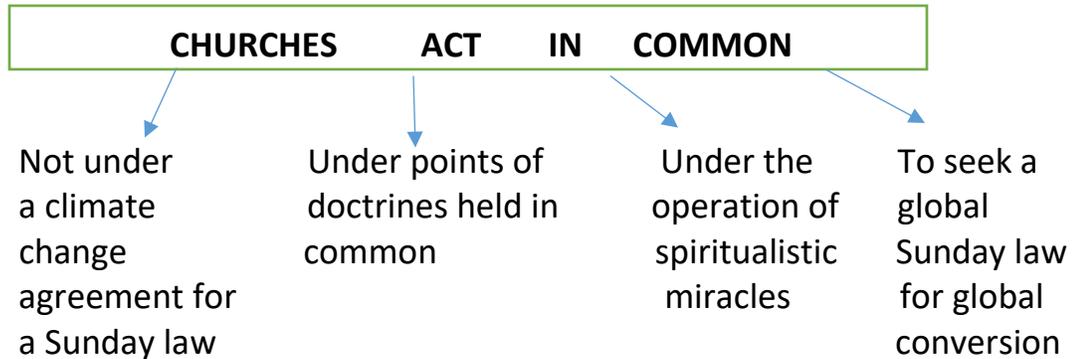

“As spiritualism more closely imitates the nominal Christianity of the day, it has greater power to deceive and ensnare. Satan himself is converted, after the modern order of things. He will appear in the character of an angel of light. Through the agency of spiritualism, miracles will be wrought, the sick will be healed and many undeniable wonders will be performed. And as the spirits will profess faith in the Bible and manifest respect for the institutions of the church, their work will be accepted as a manifestation of divine power..... Papists, who boast of miracles as a certain sign of the true church, will be readily deceived by this wonder working power; and Protestants, having cast away the shield of truth, will also be deluded. Papists, Protestants and worldlings will alike accept the form of godliness without the power and they will see in this union a grand movement for the conversion of the world and the ushering in of the long expected millennium.” Ellen G. White, **The Great Controversy**, p 588-589.

“The miracle working power manifested through spiritualism will exerts its influence against those who choose to obey God rather than men. Communications from the spirits will declare that God has sent them to convince the rejecters of Sunday of their error, affirming that the laws of the land should be obeyed as the law of God.” **Ibid**, p 590-591

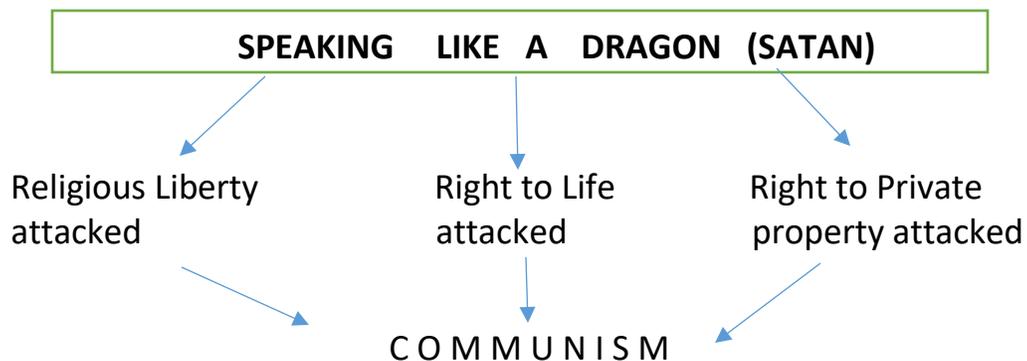

* Propagating a form of godliness
 * Not a form of ecological salvation

10. The churches are not united together to deal with climate change, they are united with **spiritualistic miracles** to push for the global Mark of the Beast – Sunday law. (Rev 19:20).

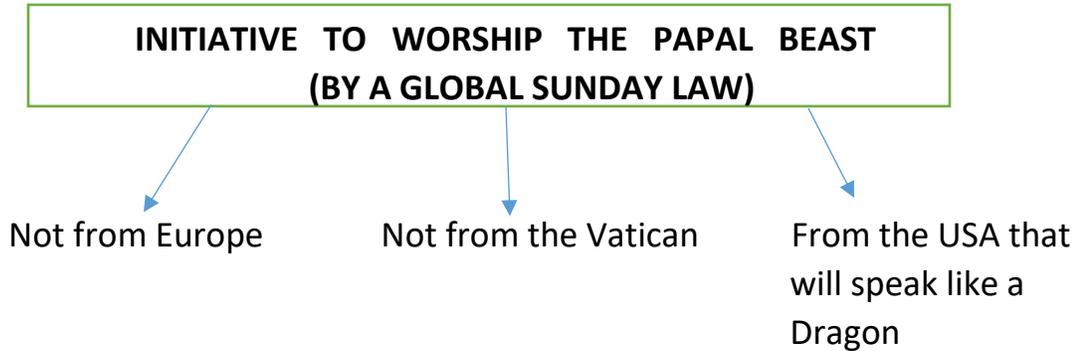

11. In the book of revelation we are told that the USA will speak like a dragon (the devil), how? (Rev 13:11).

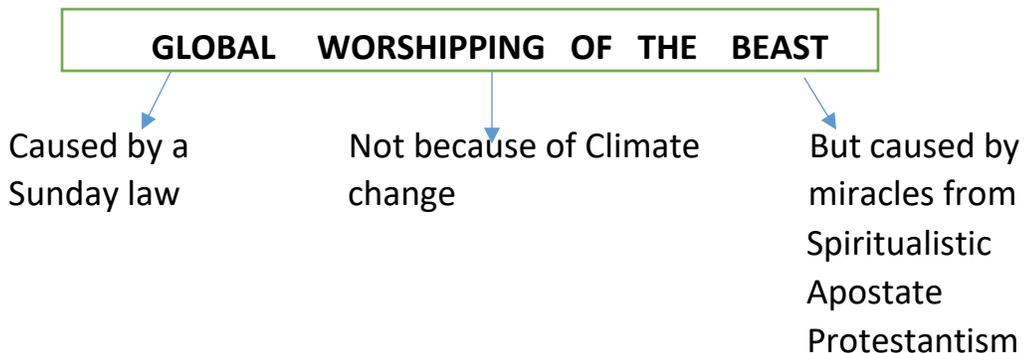

- a. One's **Religious Liberty** rights will be attacked like Jesus was (Rev 13:12; Matt 4:8, 9).
- b. One's **Right to Life** will be attacked like Jesus was (Rev 13:15; Matt 4:5, 6).
- c. One's **Right to Private Property** will be attacked like Jesus was (Rev 13:17; Matt 4:3).

12. The USA will operate like the former **Papal Beast**. It is not **Europe** or the **Vatican**, but the **USA** that is to cause the world to worship the papal beast (by a global Sunday Law). (Rev 13:12)

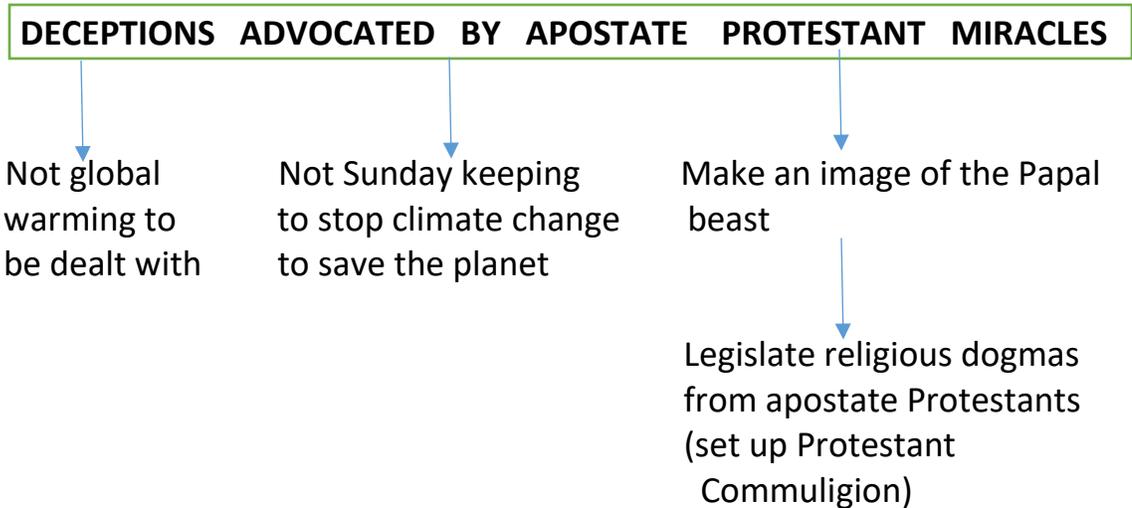

13. How does the USA cause a global worshipping of the beast, leading to a Sunday law? One of its **horns** (which is Protestantism) in apostasy and speaking like a dragon (spiritualism) will do **satanic miracles** to cause this to occur. The Sunday law is caused by the use of miracles from apostate spiritualistic Protestantism, not dealing with climate change to save the planet. (Rev 13:13)

14. The deceptions advocated by the miracles are not **climate change** and the use of Sunday keeping to save the planet. It is to cause nations to make an image of the papal beast, that is, to cause global governments to **enforce religion by legislation** taking away people's Rights and Freedoms as

instigated by **Apostate Protestants**. (This is Protestant Commuligion). (Rev 13:14)

15. It is this system of **legislating the dogmas of Apostate Protestantism** while taking away the Rights and Freedoms of the people (Protestant Commuligion), that will cause the worship of the beast (Papal Commuligion) and his image (Protestant Commuligion) and the reception of the Mark of the Beast (the Sunday Law). Not Sunday keeping to deal with climate change and to save the planet. (Rev 13:15-17)

16. It is **spiritualistic miracles from the false prophet** (Apostate Protestantism) that persuade the world to set up the **Mark of the Beast**, Sunday exaltation and Sunday keeping. In order to have **worship obedience** to Protestant Commuligion in the United States. This will not be done by persuasions of global warming being needed to be dealt with by a Sunday law according to Laudato Si. (Rev 19:20)

WHAT CAUSED THE WORLD TO FOLLOW THE MARK OF THE BEAST AND WORSHIP - OBEY PROTESTANT COMMULIGION

Not persuasions of dealing with climate change by a global Sunday law

*By the False Prophet (Apostate Protestantism) doing miracles
*By obeying Protestant Commuligion

17. Again we are told that the global weather disruptions will not be seen any more by the world as the results of climate change or global warming. Sunday is not to be urged as the means to save the planet from climate change, but to defer the wrath and judgments of God. We must not allow the fake teachings of the Pope to determine how prophecy is interpreted.

“Men in responsible positions will not only ignore and despise the Sabbath themselves, but from the sacred desk will urge upon the people the observance of the first day of the week, pleading tradition and custom in behalf of the man-made institution. They will point to calamities on land and sea – to the storms of wind, the floods, the earthquakes, the destruction by fire – as judgment indicating God’s displeasure because Sunday is not sacredly observed. These calamities will increase more and more, one disaster will follow close upon the heels of another; and those who make void the law of God will point to the few who are keeping the Sabbath of the fourth commandment as the ones who are bringing wrath upon the world. This falsehood is Satan’s device that he may ensnare the unwary.” E. G White, **Christian Service** p. 155

CAUSE FOR GLOBAL WEATHER DISRUPTIONS

Will not be viewed as coming from climate change, hence the need for Sunday keeping to save the the planet

It will be viewed as the wrath of God, as the judgments of God for Sunday desecration

Sabbath keepers and Sabbath keeping will be blamed for global weather fluctuations. Sunday keeping will be urged by tradition, custom to stay God's judgments or the weather disruptions on earth. Not by dealing with climate change

The global Warming, climate change view for Sunday exaltation is papal socialist lies and not SDA Prophecy
