Why are the leaders laughing? This Dees picture is illustrative of the fact that the majority of the US population has been hoodwinked by their leaders. These leaders are not interested in serving the people; they are servants of the wealthy Jewish international bankers who hate Christ and are working at destroying the influence of Christianity from in America, destroying the Republican Constitution, and setting up a New World Order – a global socialist state, in which humanity will be robbed of its Rights and Freedoms. They are nearing their goals. These quotations from reputable individuals show what they know that the average person is not aware of.

“Thank you very much, Richard (Haas, leader of the CFR), and I Am delighted to be here in these new Head-Quarters. I have been often to, I guess, the mother ship in New York City, but it is good to have an outpost of the Council (on Foreign Relations) right here down the street from the State Department. We get a lot of advice from the Council, so this will mean I won’t have as far to go to be told what we should be doing and how we should think about the future.” Hillary Clinton at a CFR meeting, 2009.

“Reinforce the perception that the US is constructively engaged in UN negotiations in effort to product a global regime to combat climate change. This includes support for a symmetrical and legally binding treaty.... Continue to conduct interviews with print TV and radio outlets driving the climate change story.” Quotation from a confidential US government document leaked to the London Guardian 2010.

“We are grateful to the Washington Post, the New York Times, Time Magazine, and other great publications who directors have attended our meetings and respected their promises of discretion from almost forty years. It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years but the world is now more sophisticated and prepared to march towards a world government which will never again know war but only peace prosperity for the whole of authority.” David Rockefeller, CFR/Bilderberger/TC, 5 June 1991.

“Barack Obama will go down in history as American’s first Jewish President.” Abner Mikra (Jew) – Former White “... The inordinate influence they claim we wield over American political and economic institutions. Some even believe we are part of a secret cabal working against the best interest of the United States, characterizing my family and me as ‘internationalist’ and conspiring with others around the world to build a more integrated global political and economic structure – one world, if you will. If that’s the charge, I stand guilty, and I am proud of it.” David Rockefeller (Standard Oil, Chase Manhattan) From his Memoirs, in 2002.

“Once the ruling members of the CFR have decided that the US Government should adopt a particular policy, the very substantial research facilities of the CFR are put to work to develop arguments, intellectual and emotional, to support the new policy, and to confound and discredit, intellectually and politically, any opposition.” Admiral Chester Ward.

“The America economy is in the grip of what the eminent Harvard Professor Joseph Schumpeter many years ago called “creative destruction.” Alan Greenspan Ex-Chairman, Federal Reserve Board.

“We do not need a bridge to the past (founding fathers of America constitutional values), we need to build a bridge to the future.” Bill Clinton, 1996.

“Barack will never allow you to go back to your lives as usual.” Michelle Obama

“Barack Obama is Wall Street’s investment. We are a long way from John F Kennedy.” David Bromwich, Professor at Yale.

“wall Street is Washington DC and Washington DC is Wall Street.” Gerald Celente Fox TV, June 21, 2009.

“The time has come for the world to move in a new direction. Our work must begin now.” President Barack Obama, Speech at United Nations, Sept. 24 2009.

“The Constitution of the United States needs to be reconsidered and altered... to create a whole new structure of government... Building a Third Wave civilization on the wreckage of Second Wave institutions involves the design of new

more appropriate political structures... The system that served us so well must, in its turn, die and be replaced.” Tofflers and Gringrich, Creating a Civilization.

“WE are owned by the (Zionist) propagandists... There is no question about that. Congress, the White House, and Hollywood, Wall Street are owned by the Zionist. No question... we’re being pushed in the wrong direction every way.” Hellen Thomas, Hearst News, Washington DC and White House correspondent. Dec. 2010. “...the Constitution is a charter of negative liberties...” Barak Obama 2001 interview on Chicago Public Radio.
