### The Vatican's Lucifertheism:

1. We are told in the Bible of the last two messages to be given just before the end. They are:
  - a. A warning to the world not to accept the beast and his image nor his mark, but to keep the commandments of God and the Faith of Jesus. Rev. 14:9-12.
  - b. A warning to the world of the excessive corruptions of Babylonian false religions, a call to evacuate them to escape the plagues that are, to fall upon Babylon. Rev. 18:1-8.
  
2. Before a Sunday Law is enforced, the concept held by those religions that sustains it, must put the second coming of Jesus afar off to bring about a conversion of the world and a millennium of peace. We are told.
  - a. This concept is indeed a false doctrine.

“...the popular view of the spiritual reign of Christ—a temporal millennium before the end of the world—was not sustained by the word of God. This doctrine, pointing to a thousand years of righteousness and peace before the personal coming of the Lord, put far off the terrors of the day of God... The doctrine of the world's conversion and the spiritual reign of Christ was not held by the apostolic church... Like every other error, its results were evil.” **Ellen G. White, The Great Controversy, pg. 321.**
  - b. But this false millennium concept that puts far off the second coming of Jesus Christ must and will be accepted by those who advocate a Sunday Law globally. We are told.

“Papists, Protestants, and worldlings will alike accept the form of godliness without the power, and they will see in this union a grand movement for the conversion of the world and the ushering in of the long-expected millennium.” **Ibid, pg. 588-589.**
  
3. Now the Catholic Church has abandoned the second coming of Jesus Christ back to the earth. In the year 2014, they abandoned this great cataclysmic event on their 1981 st. anniversary of the establishment of the Papacy since 33 A.C.B. (according to their error). Here is what we are told.

“The website quoted a spokesperson of the Vatican that it has officially announced that the second coming of Jesus, the only son of the God, may not happen now after all, but urged followers to still continue with their faith, regardless of the news. It is reported that Cardinal Giorgio Salvatore told waterfordwhispersnews. com that this year's 1981 st

anniversary is to be the Vatican's last in regards to waiting for the Lord to return to earth. This is what the Cardinal Giorgio Salvatore said: "We just feel that Jesus is not coming back by the looks of it. It's been ages like this, He's probably flat out doing other really good things for people somewhere else." **The Vatican Says Jesus is not Coming Back, pg. 1. 24<sup>th</sup>. April, 2014.**

4. This condition has now been fulfilled by the Vatican in order for Lucifer or Satan to work for them, exalting them in these last days. But we know that Jesus speaks of His literal second coming back to the earth. Acts. 1:9-11; Matt. 24:25-28, 30.
5. Jesus also tells us that the signs we are currently seeing in the heavens and earth, are all signs of His soon coming. Lu. 21:11, 25-31.
6. We can even know when it is at the doors. Matt. 24:29, 32, 33.
7. Hence we must never be like the evil servant who insists that the Lord delayeth His coming. Matt. 24:48-51.
8. We are told that in the beginning of sin in God's universe, it was Lucifer, the chief angel that was created by God; that claimed that he was God with God. Isa. 14:12-14.
9. When Lucifer, the serpent, caused Eve, the first woman, to sin, it was over the efforts to be God with God. Thus it was this original formation of transgression; that brought sin into the world. Gen. 3:1-6.
10. However, man was created by God to claim the opposite of Lucifer, we were to be witnesses that YHWH is God alone. Isa. 43:10-12.
11. A witness is always a ratifier of a position already stated. Man, being YHWH's witness, was created by God to ratify that God is God alone. Isa. 44:8.
12. Man is thus by creation a ratifying being in all that he does whether good or evil. Pr. 22:17-21.
13. Man's Ratification Position is the claim he stands within under the will of God. This is that YHWH is God alone and there is none else. (Isa. 43:21; Isa. 40:9).
14. But man's Ratification Dogma is the top or supreme doctrine God gave to man to destroy sin, the monotheism of YHWH, or YHWHistic Monotheism. Deut. 6:5, 6; Mk. 12:28-30.
15. Lucifer has also used man to ratify his claims; hence we are told that he has false ministers. 2 Cor. 11:13-15.
16. Lucifer uses man to ratify his claims that are in his heart, this is the depths of Satan which he recruits men to ratify. (Rev. 2:24; Isa. 14:14).

17. The Vatican's cardinals and pope ratified the following claims in Latin on April 27<sup>th</sup>, 2014, Vatican, Rome, St. Peter's Square.

“Flammas eius Lucifer matutinus inveniatur:

Ille, inquam, Lucifer, qui nescit occasum,

Christus Filius tuus, qui regressus ab

Inferis, humano genere serenus illuxit, et

Vivit et regnat in saecula saeculorum.”

18. This statement was broadcast worldwide. Here is the actual translation of the Latin statement.

“His flame, Lucifer dawning his own creation:

Man, I say, O Lucifer, who knows no setting.

Christ your Son who came back from the dead,

And shed his peaceful light to the human race,

And is alive and reigns forever and ever.”

19. From this statement, we see that the Vatican is confessing or ratifying Lucifer's original rebellion in the makeup of the knowledge that is presented.

a. Lucifer the flame dawns his own creation.

b. Lucifer the light will never set.

c. Christ is Lucifer's son.

20. However, to further hide a proper translation of the Latin, to cover up what was really said, the Vatican did release the following misleading translation which does not make sense.

“May the Morning Star which never sets find this flame still burning: Christ, that Morning Star, who came back from the dead, and shed his peaceful light on all mankind, your son, who lives and reigns for ever and ever.”

21. Here are some things wrong with this misleading translation.

a. There is no flame that Christ is to find still burning, because He is that flame or light.

- b. The morning star Christ does not have a son.
- c. In this translation, there is no evidence that the Father is addressed in the hymn, hence the phrase “your son” cannot be address to Him.

22. Here is a word for word translation from the Latin hymn itself, as sung in the Vatican.

“Flammas eius Lucifer matutinus inveniatur:

His flame, Lucifer dawning his own creation:

Ille, inquam, Lucifer, qui nescit occasum,

Man, I say, O Lucifer, who knows no setting.

Christus Filius tuus, qui regressus ab inferis,

Christ your Son who came back from the dead,

humano genere serenus illuxit,

And shed his peaceful light to the human race,

et vivit et regnat in saecula saeculorum.

And is alive and reigns forever and ever.”

23. The question is, who is this Lucifer that has a son Jesus, that the Catholic Church is exalting hence praising as God? First of all, the name Lucifer is found in Isa. 14:12.

- a. The name Lucifer is now explained as to its meaning.

“But *Lucifer* is a Latin name meaning literally “light bringer” or “light bearer” lux, luci – “light and – fer “bear” or “carry”...” **John Algeo, Lucifer: What is a Name?, pg. 1.**

“Lucifer is not an English word, but a Latin word... The word “Lucifer” comes from 2 Latin words: Lux (= light) + ferrous (= to bear or carry). Thus the name “Lucifer” means: Light-bearer or Light-bringer... When they came to translate Isaiah 14:12 into English, they decided that rather than actually “translate” the word “Heylel” they would simply substitute it with the already well known (originally) Latin name “Lucifer”. **Frank W. Nelte, The Name Lucifer, pg. 1.**

- b. The Hebrew word is “Heylel” but the Greek equivalent is the word “Phorphoros”.

“The Hebrew word translated “Lucifer is *helel* (or heylel), from the root, *halal*, meaning “to shine” or “to bear light”.” **Bert Thompson, Is Satan Lucifer?, pg. 1.**

“Anyone who know both Greek and Latin can verify that the Greek word “Phosphoros” and the Latin word “Lucifer” are absolutely one hundred percent identical in meaning. “Lucifer” is the perfect translation into Latin of the Greek word “Phosphoros”. **Frank W. Nelte, The Name Lucifer, pg. 2.**

24. Satan, we are told is disguised as an angel of light, this means that he appears with a new morally upright image to hide his abominable character. 2 Cor. 11:13-15.

25. This is why some deceived people have separated the name Lucifer from being the devil and Satan, and given the name to identify some light giving God that is not evil Satan. Here is an example.

“... the true and pure philosophic religion is the belief in Lucifer, the equal of Adonay...”  
**A. Ralph Epperson, The New World Order, pg. 64.**

“... but Lucifer, God of Light and God of Good is struggling for humanity against Adonay, the God of Darkness and Evil.” **Albert Pike, quoted in, A. Ralph Epperson, The New World Order, pg. 64.**

26. Thus this freemasonry teaching presents Lucifer as a good God of Light, as opposed to another dark God. Here is therefore how the Vatican presents Lucifer in their chanting hymn.

“... Lucifer, dawning his own creation...”

“... Lucifer, who knows no setting. Christ your Son...”

27. This clearly shows us that Lucifer is here presented as the Father. Here are the reasons.

i. He has his own creation. (Only God created).

ii. Jesus Christ is His Son (The Father sent His Son).

iii. This makes Lucifer a good God like the freemason concept.

28. This Lucifer is a false one because in reality Jesus is not his son; neither does he have a creation. But those verses make Lucifer God with God thus sharing in His glory. This is done by calling the Father Lucifer. Isa. 42:8.

29. This is none other than Lucifer worship in the Vatican; Lucifer is being attributed as the Father. (Rev. 12:9; Rev. 13:4).

30. But Lucifer can never be a type of the Father, the name Lucifer meant that Satan was indeed a false god. Lucifer is Satan because he is a false god which are demons. Deut. 32:16, 17.

- a. Concerning the translation from Hebrew of the whole phrase “Lucifer, son of the morning” we are told.

“HeYel Ben ShaChar, (Meaning “bright son of the morning/dawn” “bright [and] morning star” “glowing morning star” or “shining one, son of the dawn”) was translated to “Phorphorus” (the Greek word for Venus as the morning star) in the Septuagint, and then translated into “Lucifer” in the Vulgate (from the Greek Septuagint).” **Grand Lodge of British Columbia and Yukon, Lucifer and Satan, pg. 1.**

- b. Heyel (Helel) and also Shahar (Dawn translated “morning”) were false gods who were demons or devils; thus when God called Satan by the name Heyel/Lucifer, he was being called a false god or demon, thus the first transgressor in the universe was Satan a demon called Heyel/Helel or Lucifer.

“Two more of El and Asherah’s children were twins: Shahar and Shalim, brothers of Baal. In the Babylonian pantheon, Shahar was deemed god of the dawn, and his twin brother Shalim was god of the dusk. Shahar himself had a son, Helel. The Babylonians believed that the planet Venus, when it appeared as a star in the morning, literally was Helel, the son of Shahar, and grandson of El. They worshipped Helel the morning star and considered him one of the more important gods.” **Update 2: “Lucifer” Identified! Pg. 1.**

“... O Helel, son of Shahar! **Ibid**, pg. 2.

“Remember, Helel was the morning star, and his father Shahar was god of the dawn.” **Ibid**, pg.

“The Babylonians worshipped as gods the manifestations of celestial bodies. It is from Babylon that we get the signs of the Zodiac representing the constellations. We now know that the two terms used in the Hebrew text of Isaiah, Helel, morning star, and Shahar, dawn were Babylonian astral deities...” **Dennis Bratcher, “Lucifer” in Isaiah 14:12-17, pg. 3.**

- c. Thus, since the first sinner in God’s universe later called Satan, was called by God Helel/Lucifer a pagan false god professing to be the light bringer, and since these gods are in fact demons, Heyel/Helel or Lucifer was the demon that first sinned. This is Satan. Ps. 106:37, 38.

31. Jesus is also not the “Lucifer” of the Vatican since He has no son like the Vatican’s Lucifer. However, the Bible does tell us that Jesus is the new Lucifer or morning star. Rev. 22:16.
